

ARMOR STOCK RANGE UK EDITION

WAX

WAX/RESIN

RESIN

Our commitment to you:

- All stock products are available for next day delivery (UK stock items only).
- Minimum order quantity per item : 1 box
- Any order received by 3.30pm will be dispatched same day.
- We can deliver direct to your customer if required.

Log on your ARMOR Extranet to obtain updated lists of stock items

www.armor-group.com

**NEW
in stock**

- ✓ AWR[®]6 items.
- ✓ More APR[®]6 items.
- ✓ Other market leading items.

ARMOR S.A. offers an extensive stock range of Thermal Transfer ribbons, available for next day delivery throughout the UK.

ARMOR stocks represent over 300 of the most regularly requested products on the market today and include all of our market leading Flat Head ribbon grades:

The stock includes all of our market leading Flat Head ribbon grades:

- Wax grades: AWR[®]470, AWR[®]6 and AWR[®]500,
- Wax/resin grade APR[®]6
- Resin grade AXR[®]7+.

Feel free to ask your sales contact at ARMOR for further details and documentation.

Many stock products are available in **generic configuration** to enable the widest coverage of printers.

UK STOCK

SUMMARY

AUGUST 2008 EDITION

Stock items for:

GENERIC Flat Head, Outside inking – **New AWR®6 stock item, and other items,**

items,
GENERIC Flat Head, Inside inking – **New AWR®6 stock item, and other**

COLORPACK Flat Head

ZEBRA / ELTRON 1" – **New AWR®6 stock item, and other item,**

ZEBRA / ELTRON ½" – **more items,**

DATAMAX 1" – **more items,**

DATAMAX ½", – **more items,**

INTERMEC, **more items**

SATO,

GENERIC Near Edge OUTSIDE,

GENERIC Near Edge INSIDE,

In the following pages, items highlighted in red are items recently added to the stock in France.

Items are on stock in France; those also on stock in the UK are identified with a "✓" (**red if new**).

The above brands are listed as references, to avoid any risk of misuse by the end-user.

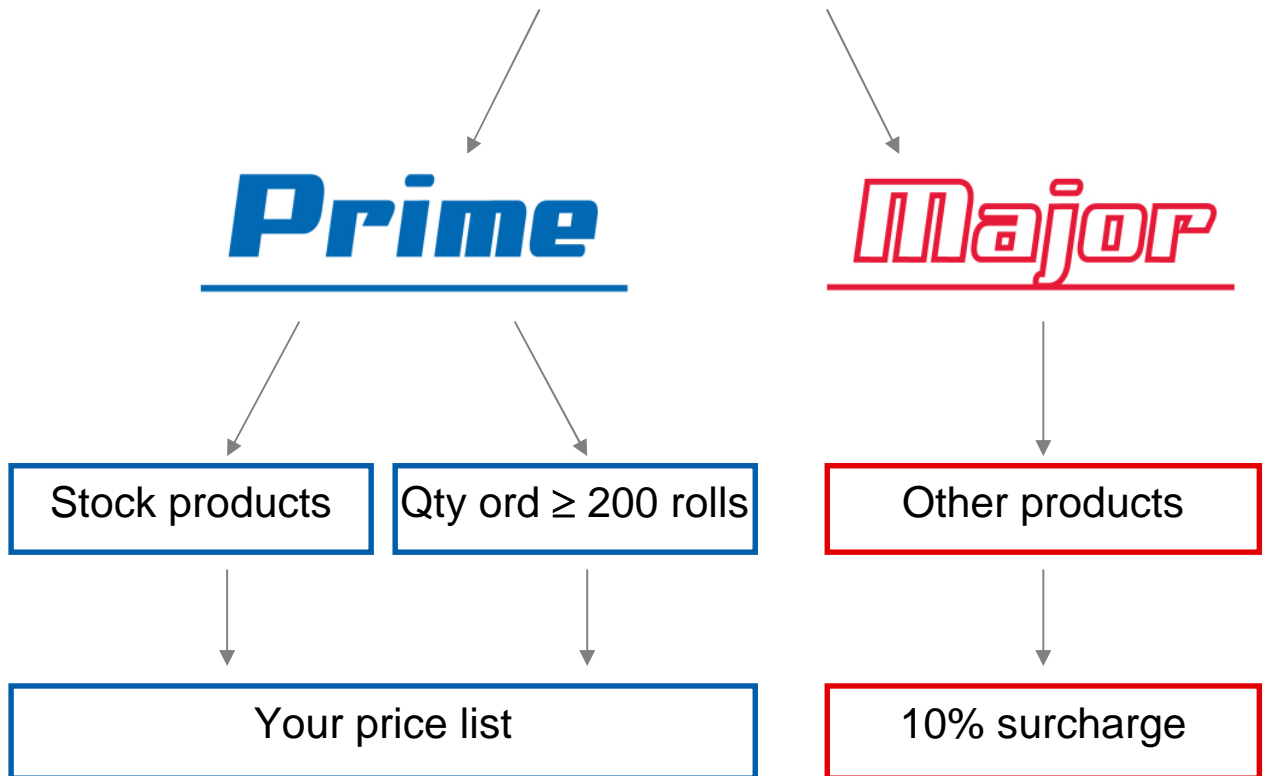

PRIMA CONDITIONS

Prima

Prime

Major

All items held on stock or included in the Colorpack programme are **Prime** items.

FLAT HEAD PRINTER COMPATIBILITIES with GENERIC & COLORPACK programmes

Reminder: Generic Flat Head and Colorpack rolls are dedicated to Flat Head printers and are wound on a 1" cardboard core. The following printers are able to use Generic and Colorpack 300m. Those which only accept Generic 150m have been withdrawn.
